Business Technology 2026

VISMA

CIO organization

Janne Poikulainen

Pia Hovland

PMO & Quality

Mirela Miculescu

Technology Transformation

Emphasize on the executive and company-wide nature of our strategic role and the focus on delivering value/change.

Michael Sants

Technology Products & Data Platforms

The role in building (development/engineering) the products, handling the core data platforms and driving data analytics

Sergiu-Valentin Dilimot

Workplace Technology

Employee experience (Digital Experience) and the services they provide (support, device, identity, license).

Janne Katajamäki

Emerging Technology

Focuses on the newness and exploratory work - looking ahead and testing new concepts.

VISMA

Workspace Technology 2026

VISMA
